CURATING SPACES. ART. OBJECTS. A WAY OF LIVING.

SERVICES & FEE STRUCTURE

Our approach is personal, transparent and tailored to each home. We work in clearly defined stages, allowing clients to understand the process and costs before proceeding.

01 - THE FIRST VISIT — COMPLIMENTARY

An initial visit to your home to discuss your expectations, experience the atmosphere of your space, review existing furniture and objects, and establish your priorities and available budget.

There is no charge and no obligation to proceed.

02 - THE STUDY — MXN 2,800

Following the initial visit, we develop a tailored study outlining our initial vision and recommendations.

Depending on the project, this may include:

- A proposed direction for the atmosphere and character of your home.
- Recommendations for existing furniture, art and objects.
- Suggestions for new pieces and complementary elements.
- An indicative budget for the proposed acquisitions.

The study fee is payable in advance.

03 - THE CURATION & SOURCING

15% OF THE DISCOUNTED PURCHASE PRICE, WITH A MINIMUM FEE OF MXN 5,500

We identify, select and source the furniture, lighting, artwork and objects that complement your home and bring the proposed vision together.

Our fee is calculated on the actual purchase price, after any discounts, of the goods selected by Styling Editors and approved for purchase by the client.

The minimum curation fee is MXN 5,500 and is additional to the study fee.

The curation fee becomes payable when the client confirms the purchase and places the order.

04 - PURCHASES & ADDITIONAL COSTS

To ensure transparency and avoid unnecessary financial risk:

- Goods are paid for directly by the client to the relevant suppliers.
- Styling Editors does not finance purchases on behalf of clients.
- Delivery, transport, installation, storage, taxes and other additional costs are discussed separately.
- Any additional expenditure requires the client's prior approval.
- Supplier quotations, payment terms and delivery conditions are confirmed before orders are placed.

Styling Editors acts as a curation and sourcing service. The purchase contract for goods is between the client and the relevant supplier. Styling Editors is not responsible for the supplier's contractual obligations, except to the extent that responsibility arises from Styling Editors' own agreements or applicable law.

Any exceptions to these arrangements must be agreed in writing in advance.

OUR COMMITMENT

Our objective is to create a considered, personal and harmonious environment while respecting your preferences and budget.

We believe in clear communication, carefully selected pieces and a straightforward working relationship from the first conversation to the final selection.
